[redacted]

25X1

2. I will check in with you at about 0700 in order to pick up anything you have been able to glean overnight. After 0730 I can be reached at the Director's office downtown until he leaves at about 1140 to brief the President. In addition to the topics noted above please provide me information on any new developments that would justify a WHSR or that otherwise seem to merit the DCI's attention. [redacted]
